

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

DELPHINE ALLEN, et al.,

Plaintiffs,

v.

CITY OF OAKLAND, et al.,

Defendants.

Case No. 00-cv-04599-TEH

**ORDER SETTING STATUS  
CONFERENCE**

Last week, the Court-Appointed Investigator filed his report on the City of Oakland's response to allegations of officer sexual misconduct. The report reached some very troubling conclusions about how Defendants mishandled these allegations and did not aggressively pursue an inquiry into what went wrong. Additionally, the Monitor's recent reports have raised serious concerns about PRIME, the new personnel assessment system, which is a critical part of Defendants' risk management plan.

The Court HEREBY ORDERS the parties to appear at a status conference on **Monday, July 10, 2017, at 2:30 PM**, to discuss these and any other concerns about Defendants' progress and the sustainability of that progress. The parties shall file a joint status conference statement on or before **July 5, 2017**.

As has been recently announced, this case will be reassigned to the Honorable William H. Orrick in August. Judge Orrick will participate in the upcoming status conference.

**IT IS SO ORDERED.**
